Sunday 11am to 5pm.
We are **CLOSED** Bank holidays

Do I have to join to use your equipment?

Yes. You can register when you first visit, please ensure you bring TWO forms of ID with your address.

Do I have to be disabled to use the scheme?

No. Anybody with any mobility difficulty whether temporary or permanent can use the scheme.

How much does it cost?

There is no charge for daily hire of our equipment or to register – as a small charity we rely on your support and donations to help keep our service running. Overnight and long-term hire of our manual wheelchairs is offered at a charge of £2 per day. At the moment we can only accept cash or cheque.

Where can I use the equipment?

If you are using a scooter or wheelchair on short term (daily use) loan then you can use it in Watford Town centre (from Tesco Extra to Watford Town Hall). This includes intu watford shopping centre.

Can I take a scooter to a hospital appointment?

No, Watford General Hospital is outside of the permitted area.

Is there any limit to how long I can borrow the equipment?

Wheelchairs and scooters loaned on short term (daily use) loan must be returned by 4.45pm (16:45). There is no maximum length of time for long term loan of a wheelchair but it must be paid for in advance.

Can I hire wheelchairs and scooters on a long term basis?

We only offer manual wheelchairs (not electrical equipment) on a long term basis.

Can my child sit on my lap?

Children **must not** be carried on the vehicles, electrical equipment must only be used by the member registered with Shopmobility Watford.

Can I drive on the road?

Our vehicles **cannot** be used on the public highway.

Where's the nearest toilet?

We have a disabled toilet within Shopmobility (for our users only), there are disabled toilets in intu watford.

Do you sell equipment?

We occasionally have donated scooters, rollators, walking frames and crutches for sale, so it is always worth asking if we have anything suitable for your needs.

Once I join Shopmobility Watford can I use other schemes?

At the moment all the schemes are run independently from each other, so membership of this scheme does not entitle you to use other schemes, although you may join other schemes as well if you wish.
